PATROL BOX INSPECTION INSTRUCTIONS

YES		NO		
()	()	Has all food residue, burned on or not, been cleaned from stoves?
()	()	Is the propane transfer tube in the camp stove?
()	()	Is the patrol box fee of all mud, grease, grime, and food particles?
()	()	Do the pots and pans look and feel as if they have been through a dishwasher?
()	()	Do the dishpans look and feel clean?
()	()	Does the cutting board look and feel clean?
()	()	Do all utensils appear to have been through a dishwasher?
()	()	Is everything in the patrol box COMPLETELY DRY?

If you checked "NO" to any of the above, stop the inspection. The patrol box must be sent back with its custodian to be finished.

If you checked "YES" to all of the above, the patrol box is no longer the responsibility of the custodian. The Patrol Leader is now responsible for the entire checklist.

The Patrol Leader must bring his patrol box to the Quartermaster or Assistant Scoutmaster for inspection.

• If anything is missing from the patrol box inventory, write it down here.

• Present this paper to whoever is inspection your patrol box. You are responsible for the entire checklist.
